What a Bull! His pedigree is about as awesome as it gets. His dam Iron On has been called the queen of all cows. She is a multi time all age grand champion ITLA cow with Iron Sniper's sire being Sniper one of the largest TTT black bulls in the industry only good things can come of this mating. I can't wait to see what his calves look like in my herd! A huge thank you to Don and Rhonda Poe for giving me the opportunity to purchase this awesome bull!
